Chapter 1 by -

Detective Nikki Heat was wandering about the buzzing precinct, wishing she had a lead on the murder investigation that she was working on.

"Ah ha!" Jameson Rook shouted. "I've got it!"

"What's your crazy theory now, Rook?" Detective Heat said taking a seat at her desk and staring at the whiteboard that held all the pictures of the suspects and victim.

"A spy! Think of it! He gets in and out and is as trained as a show dog!" Rook looks at Heat with the story in his eyes. "That would be awesome!"

"Except for the fact that we, once again, have no proof of this." Nikki rolled her eyes at Rook and stared at the murder-board wishing she had a lead to finding the killer.

"I might have an answer," a voice says from behind them. Rook and Heat turned around to see the famous spy Derrick Storm walking out of the elevator with Clara Strike walking right beside him.

"Who?" Detective Heat stopped. See more of Story Wars just become a Castle Crossover between Derrick Storm and Clara Strike. What do you think?
